THANKS FOR YOUR DONATION

Hi Carol Louise,

I just wanted to say a massive thanks for your donation of £20.40 to our Gaza Crisis Appeal.

I'm sure, like me, you've felt overwhelmed by the news coming out of Gaza, Lebanon and the wider region, and are heartbroken by the suffering that people are having to endure. It's easy to feel powerless in the face of something so devastating, so I want you to know that by stepping up to help you are making a difference.

Your donation, and the funds raised from this appeal, not only enable us to get support where it's most needed, but your kindness also shows our colleagues – who are risking their lives every day – that there's a powerful backbone of supporters like you behind them; believing in their work and believing in humanity.

I hope it goes without saying that we'll do everything in our power to alleviate suffering wherever we can and get your donation to where it's most needed. If you've consented to receiving our emails, I'll keep you informed on how our teams are doing just that, as well as the latest news from the region, as it comes in.

Thank you again,

Katie

P.S. Just in case you need it, your payment reference is ICCB03422760. You should also have what's called a 'transaction confirmation email' from Worldpay - our payment processing people - landing in your inbox with all your payment details.

This is a NO-REPLY email.

The Gaza Crisis appeal will support people in areas affected and those potentially affected in the future by this crisis. Gift Aid claimed on donations received in response to this appeal will be used to fund the whole of our work. In the event there are surplus funds raised for this appeal these will be used for the general charitable purposes of the British Red Cross.

Have a question or need to talk to us about your gift? Please email supportercare@redcross.org.uk or call 0300 456 1155.

Your Privacy

The British Red Cross is committed to privacy and will use personal data for the purpose it was collected or other legitimate purposes we tell you about: for example, to provide goods, services or information you have requested or to administer donations or services we provide. We may also analyse data we collect to better understand the people who support us or those who use or deliver our services. Sometimes this means us combining that data with information from reliable public sources. Our research allows us to tailor communications and services in a more focused and cost effective way, as well as better meeting your needs and the needs of others like you. However, we will never do this in a way that intrudes on personal privacy and will not use your data for a purpose that conflicts with previously expressed privacy preferences. For full details about how we use personal data, our legal basis for doing so and your privacy rights, please see our [Privacy Policy](#) online.
