About our church:

Brunswick Methodist Church is situated in the heart of the city of Newcastle upon Tyne. We are a welcoming community committed to following Jesus. We are open seven days a week.

Brunswick Coffee Shop is open Tuesday to Saturday, 10:30am–1pm.

We offer face-to-face prayers in our prayer chapel Tuesday–Thursday mornings at around 10am, lasting about 15 minutes.

We hold a small group that meets monthly on a Thursday afternoon at 2pm. We also offer a monthly gathering for students and young adults; contact the church for details.

Our worship is traditional in style with the occasional modern twist. We have an ethnically diverse community with a few young families and some PhD students and undergrads. We meet at 10:45am on Sunday morning.

We also have a Chinese congregation, speaking Cantonese and Mandarin, that meets at 1pm. Occasionally, we join together for a united service that is translated into English.

Our purpose is to proclaim the love of God in the city through worship, serving, caring and learning together.

About our church:

The Church of St Andrew, Newgate Street, stands at the geographical centre of Newcastle city. As a Grade I-listed building, it has been a place of worship, fellowship and community life for more than 900 years.

Today, St Andrew's remains at the heart of city life. With Newcastle United's stadium and two universities nearby, the church welcomes a high footfall of local and international visitors, including tourists, pilgrims and historians, as well as those attending special celebrations and services. We are home to the Northumbria Deaf Mission and a city-centre chaplaincy that respects people of all faiths and none, offering support to anyone who asks for help.

Our aim is to provide a warm welcome, a safe space and an oasis of calm for all who seek support, reflection or quiet in our busy city. Our partnership with the university's Music and Ecology departments is a particular blessing.

As members of the Church of England, we are committed to fostering a safe, inclusive, and non-judgemental environment. We offer a welcome to everyone and celebrate loving relationships. We would be pleased to offer prayers for same-sex couples within any of our regular services. If you would like further information, please contact the vicar.

We are home to a broad mix of people and provide traditional worship at a civilised time, regular concerts, and a mission-led commitment to social and ecological wellbeing.

- **Sunday worship:** 11am Sung Eucharist (in term time) & 11am Holy Communion with hymns (at other times), using the Book of Common Prayer (BCP) material.
- **Thursday Lunchtime:** 12:30 until 1pm is a short Holy Communion service using the Book of Common Prayer (BCP) and recorded music for reflection.
- **Additional Term-Time Services:** Sung Mattins, Choral Evensong and Compline are also offered during term time. These services continue to attract those who value a more traditional pattern of worship, while remaining accessible to people who are searching, curious, or exploring faith. Their beauty and contemplative character provide a gentle entry point for newcomers and a familiar anchor for long-standing worshippers.

About our church:

JMC is a friendly, welcoming, inclusive, accessible church for all in the vibrant heart of West Jesmond, Newcastle upon Tyne.

Our church family represents folk from every walk of life. We are primarily a congregation of students, young professionals and families, but we love folk of all ages. We have a growing family, kids and youth ministry. We offer a warm welcome to all, providing hospitality throughout the year, lasting friendships and support, plus opportunities to serve.

Sunday mornings at JMC are contemporary in style, warm and centred on community. They are led by members of our community and our live band. We gather from 10:15am with coffee and pastries, with the service starting at 10:45am to worship God through prayer, music and teaching that speaks to everyday life. It's a space to connect, grow, and share fellowship, often followed by lunch. We're passionate about making all welcome at JMC.

At JMC, there are several regular home groups that meet on different weekdays. These small groups are a chance to share life, faith and friendship with others in a relaxed setting. They involve meeting in homes, Bible study, prayer, and mutual support as we grow together, following Jesus.

Because of Jesus' life, death and resurrection, we know that everyone is loved, valued and special to God – and because you're special to God, you're special to us too.

There is free street parking on Sundays all around the church building.

About our church:

We are disciples seeking to live in the way of Jesus in the world, as we are, and where we are in the Brandling Park neighbourhood of Jesmond. We aren't perfect. We're a smaller congregation. We're committed companions on this journey of faith and discipleship, joining together in worship, study, mission, prayer and ministry. We believe Jesus called us into an open and expansive form of love, to be with people as Jesus sought to be with us. We now seek to live that 'being with' ministry alongside our neighbours. You are welcome to join us on that journey!

Throughout the year we host regular 'Big Questions Cafés' (bigquestions cafe.org.uk), aimed at fostering community cohesion. They feature a (free) delicious meal with deep discussion on a topic of interest across the wider community. Check our website for upcoming dates and speaker details.

We hold regular 'Repair Cafés' in the church hall. Just come along with any items needing repair and enjoy free tea and delicious cakes with friends old and new. If you have a skill for repairing stuff, please let us know!
Our Community Garden, located near the church on Burdon Terrace, is always open for prayer and reflection, to just sit, or read a book, or watch the world turn.

With our recently appointed Community Development Worker, we are addressing the issues of loneliness and isolation in our community, recognising that these problems apply to people of all generations and in all situations.

Sunday worship is at 10:45am each week. We hold monthly Taizé services on Tuesdays, 5:30-6:30pm (please see the website for the dates), to which all are welcome to come, light a candle, leave a prayer, and sit quietly for a while, listening to gentle music.

Book and Bible studies take place throughout the year, as do Prayer Retreats and other events.

'You are welcome here, just as you are'.

About our fellowship:

We welcome all who seek the meaning of life, and who believe that human spirituality is wider than any one tradition, and deeper than any one set of opinions. With a respect for our Christian origins, we seek to explore truths from all sources. Our fellowship gives us strength and encouragement in daily living.

Unitarians do not have a set of central beliefs or a profession of faith. We are liberal and free-thinkers and are guided by our reason and conscience. Our name originally meant that we believed God is One. In the modern world, whilst this is still a view held by many Unitarians, we tend to think of ourselves as being united in the search for truth and meaning in life, and understanding the life lessons from all human philosophies and belief systems. We welcome all, supporting equal marriage and equal rights for people of all ages, genders, sexual orientations, ethnicities and disabilities. We are happy to welcome visitors from other religious traditions.

We meet on Sundays at 11am and online via Zoom livestream. The service may be led by a Unitarian Minister, a worship leader or minister from another religious tradition, or one of our lay worship leaders from within the congregation. Our service format varies! During some weeks we have a more traditional format with readings, hymns, prayers and an address. On others, we sit around our coffee table and share our thoughts on a particular topic. More recently, we've had a service led by a Buddhist minister and a workshop on the parable of the Good Samaritan.

We are a network of university-connected people who meet in various ways during the week. Very often we meet for prayer – there are daily opportunities for this – which include discussions on scripture, sharing and praying for our concerns, sometimes breaking bread together, one-to-one spiritual conversations or just hanging out. There's no regular Sunday stuff at the university at present, but we continue to work with local churches. Occasionally, there are one-off activities like praying about the climate emergency or reaching-out activities. Get in touch to chat more about things. If you have a good idea, we'd love to support you in it if we can.

Sanctuary @ SAW

Contact details:

Lay Pastor Adam:
Wilkinsona1@hotmail.co.uk

Website/Social Media:

saw-newcastle.org

instagram.com/sanctuary_shieldfield

About our church:

Sanctuary is a 'brand-new church' that is partnered with the Methodist-run Art gallery, Shieldfield Art Works. Whether you're a lifelong Christian, taking the first steps of exploring spirituality, or simply in need of a reflective moment, you are welcome at Sanctuary.

We are currently developing our core values:

- **Safety –** cultivating a space where people feel welcomed, accepted as themselves and able to participate without pressure or judgement.
- **Engagement with the arts –** recognising creativity, imagination, and artistic expression as important ways to explore faith and encounter God.
- **Encounter –** creating opportunities for genuine encounter with God, with one another and with deeper questions of meaning and belief.

These values shape both our worship and our wider community life. Over the past year, the Sunday evening worship space has developed into a distinctly meditative and contemplative gathering. Drawing on music, visual art and interactive reflection, these services have taken on characteristics that feel rooted in early Christian mysticism, creating space not simply to learn about God but to encounter God in stillness, creativity and shared reflection. We split the evenings into four distinctive sections: Hospitality, Practising the Presence, Experiential Reflection, and Rewired Response.

SANCTUARY (Third Sunday of the month, 7pm-8:15pm)
A relaxed space for Christian worship that's open to anyone – a chance to step away from the noise of life and draw closer to God through music, reflection, meditation, discussion and space.

SMALL GROUP (Second & Fourth Wednesday of the month, 6.30pm-8pm)
A friendly gathering around the dinner table to share together, read the Bible, and discuss life's big questions.

There is a car park on site with free parking for Sanctuary.

About our church:

We're a warm and welcoming church with bright orange doors, situated in the heart of the Northumbria University city-centre campus. We are a young, diverse, international and growing congregation that explores what it means to be followers of Jesus in this time and this place, aspiring to greater inclusion and welcome. If you feel called to be part of shaping that, then perhaps this is a church for you! Our worship, offering a blend of modern and traditional elements, starts at 10:45am on Sunday mornings.

We have an active outreach programme, led by our Youth Chaplain, and we're frequently seen on Northumberland Street offering drinks, snacks and a chance to stop and talk. We gather most Wednesday evenings for a range of services:

- UPLIFT praise blends contemporary worship with discussion and reflection, followed by food
- Table Talk meets to discuss our faith and its impact on us and our world over a meal
- Bible Study deepens our biblical literacy
- Twilight Church offers a space where you can come, light a candle, offer a prayer or just sit and be.

Our Youth Wing connects via WhatsApp and is fully involved in the decision-making and operation of the church. We intentionally welcome everyone, everyone, everyone, regardless of race, class, ability, sexuality, or gender identity, because our study of Jesus reveals a radical welcome which invites all people into discipleship. We learn and grow together – people of different ages, backgrounds, outlooks and nationalities.

We offer a home to other congregations with whom we have close relationships: Northern Lights MCC, Newcastle Dream Church, and the Newcastle Chinese Christian Fellowship. We are members of Tyne & Wear Citizens and Living Wage Employers.

About our church:

We are a lively, friendly, community-based church on Gosforth High Street, with excellent public transport links to the city centre.

Our congregation is increasingly diverse, with a wide age range. Worship (Sundays, 10:30am) is a mix of old and new, in a straightforward free-church style. Our busy community centre hosts a variety of activities, some church-based, some from the local community.

We are also registered to conduct same-sex marriages.

Our aim is to be good news on the High Street. We recently agreed on these values to describe what's important to us: Welcome and Inclusion, Reverence, Personal Growth, and Community-building. We're somewhere on a line between aspiration and lived reality with these values, but working to go in the right direction. Overall, we see ourselves as travellers on a journey of following Jesus, as we explore together how to live this new life of Christ in our lives today. We'd love to share the journey with you!

NEWCASTLE UPON TYNE INCLUSIVE-MINDED CHURCHES

Inside this booklet, you can find details of churches and faith communities in Newcastle upon Tyne that are part of an informal network of faith leaders who share a hope for an ecumenical community that is welcoming, inclusive, and open to all God's people.

There's no formal application process or set of criteria for being included. Instead, what brings us together is a shared desire to keep exploring what it means to be communities where everyone is genuinely welcomed, valued, and able to belong. We know we're all on a journey, and we're committed to learning and growing together.

It's very possible we've missed a community that shares these values. If you'd like your church or faith community to be included, we'd be delighted to hear from you. Please get in touch with minister@stjurc.org.uk.
